- Major damage or loss will include any damage or loss amounting to \$10.00 or more
- Capacity will refer from the time the club member equipment user picks up the equipment to the time it is returned to the equipment manager or storage shed

Waiver of Responsibility

I understand that there are hazards associated with white water paddling. I am aware that these hazards (including cold water, rocks, sweepers, log jams, keeper holes, waterfalls, and ledges) plus others, have contributed to equipment damage, paddler injury, and death.

I acknowledge that participation in white water paddling will require physical exertion. I affirm, that I (or my child) am in good physical and mental health to meet these demands and I am a capable swimmer. I have prepared my equipment for participation in this activity.

I understand that the final decision to join the Sundre Paddling Club rests with myself and I am not required to participate in activities I deem to be unsafe.

In consideration of the above, I unconditionally release the Sundre Paddling Club, its members, its officers, its volunteers, and affiliated clubs from all manner of actions, suits, and claims that might arise due to loss or damage of property, personal injury, or death as a result of my participation in this sport.

I certify that I have read and understand the above waiver of responsibility.
